The **Elite V3** Software has been developed for competitions. Easy to use, it will allow you to edit all the results of your race.

You will be able to print the starting grids or additional heats, add penalties, display the results on TV ...

Thanks to this software, you will be able to manage races and championships without difficulty. Whatever your sporting rules are, you can use **Elite V3** because of its numerous parameters.

We can adapt the software to your sporting rules.

Free Softwares: Free of charges for all TAG Heuer Timing systems users (Chronoprinter 540 / Minitimer HL 440)

System: OS with Windows 98 / 2000 / XP / Vista / 7

Compatible with all TAG Heuer timing devices in ON-LINE or OFF-LINE mode (download of the memory after the race).

If you want to use the software package with other timing devices than TAG Heuer devices, you have to buy a hardware key that will allow you to print the official results.
